Please answer the following questions if you wish to withdraw your child from the sex education elements of our whole school Relationships, Sex and Health Education provision:

1. Which sex education topics do you wish to withdraw your child from?
2. Why do you wish to withdraw your child from these topics?
3. How do you intend to provide information and guidance on this topic(s) at home?

Once we have received this form, you will be invited into the Academy to discuss these questions further with a member of our Senior Leadership Group and Curriculum for Life Lead Teacher. We can only confirm that your child will not take part in any lessons covering a topic classified as 'sex education' once this meeting has taken place.

Please be aware that your child has a right to opt back in to learning about topics classified as 'sex education' when they are within 3 terms of their 16th birthday. If this is the case, the Academy will provide a 'catch-up' programme to inform them of topics they have missed. This is part of the Department for Education statutory guidance (2020).

For further information, please see the Academy Relationships, Sex and Health Education policy.
